

Court of Appeals, State of Michigan

ORDER

Noble Metal Processing-Indiana Inc v Challenge Manufacturing Co

Docket No. 290892

LC No. 09-000960-CK

Christopher M. Murray
Presiding Judge

Kristen Frank Kelly

Karen M. Fort Hood
Judges

The Court orders that the order of March 19, 2009, is VACATED to the extent that it held the application in abeyance.

The application is DENIED for failure to persuade the Court of the need for immediate appellate review. But for the unanimity requirement of MCR 7.211(C)(4) as applied to applications, Judges Murray and Kelly would peremptorily reverse the trial court's injunctive order.
